### What We Expect From You, the Rider

#### **Valid Paperwork**

A current motorcycle license that's valid where we're riding. We'll check before the keys are handed over!

#### **Good Judgment**

Ride within your ability. The mountain pass will still be there tomorrow if today's not your day to tackle it.

#### **Be Kind to Our Bikes**

Ride them like you own them, because we do!

#### **Respect the Rules**

Local traffic laws apply, and our guides' instructions aren't just friendly suggestions. They're for keeping everyone safe and happy.

#### **Sober Riding**

Zero tolerance for riding under the influence. Save the celebration for after we're parked for the day.

#### **Proper Gear**

All the protective equipment, all the time. Yes, even when it's hot. Road rash is a souvenir nobody wants.

#### **Attentive Ears**

Show up for the briefings—they contain important info about the day's adventure and potential hazards.

### Team Spirit

Group riding requires cooperation. Be courteous to your fellow riders and the locals we meet along the way.

### Positive Attitude

Weather changes, roads close, and sometimes things don't go as planned. Roll with it—that's where the best stories come from!

## What Happens if There's a Mishap

### Accident Response

In case of an accident, our guide will assess injuries, consult with our remote on-call trauma doctor if needed, and coordinate appropriate medical response. Your safety comes first, the motorcycle second. This is where we'll need to have your medical and evacuation cover details on hand.

### Spare Motorcycle

We bring a spare motorcycle as a precaution against unexpected mechanical failures. It's not a replacement for bikes damaged through reckless riding or crashes—those situations may require rental fees or transportation arrangements.

### Leaving Early

Life happens! If you need to exit the tour early, we'll help arrange transportation to the nearest airport or station—though those costs are on you. Our included transfers only apply at the official start and end points.

## Ready for the adventure? Let's ride!

*This cover page summarizes key points of our relationship in plain language. It's meant to set expectations in an easy to read way, but it doesn't replace the detailed terms and conditions that follow. Those boring legal pages? They're important too. **Please read them carefully before signing, as they create a valid and binding legal contract between us.***
